## About Black Hawk LCAN

The Black Hawk Local College Access Network (LCAN) is a network of agencies funded and supported by Iowa College Aid who are dedicated to increasing postsecondary education rates in our community. We hold the belief that everyone needs an education beyond high school to compete in the current job market and attain economic security. This belief directly supports the Future Ready Iowa (FRI) goal that 70% of Iowans have an education beyond high school by 2025.

In order to reach the FRI goal, the Black Hawk LCAN created a team dedicated to removing obstacles nontraditional students face when trying to enroll or remain in college. By creating a financial resource for nontraditional students, we are providing a lifeline for students that couldn't have otherwise realized their college dream. Our program benefits students, employers, and the community as a whole.
