2. GIVE TO A FUND

Gifts of any size can be made to funds already established with the Community Foundation. Your generosity can support the grantmaking of your local foundation through a gift to their impact fund or find one of our hundreds of funds supporting nonprofits in our region.

WHAT IS A DISCRETIONARY GRANT?

The grants above are part of the Community Foundation's discretionary grant process. This means the Foundation uses its discretionary (unrestricted) funds to provide grant funding to organizations impacting local communities. The grants are awarded using a competitive process where organizations submit an online application, which is reviewed by local committee members. Grants are then awarded by the committee based on guidelines informed by best practices in grantmaking.
