

## Black Hawk County League of Women Voters Endowment Fund

### About Black Hawk County League of Women Voters

The Black Hawk-Bremer Counties League of Women Voters is a non-partisan, political organization which encourages citizens to become informed and participate in their government. The Black Hawk-Bremer League of Women Voters is an integral part of the League of Women Voters of Iowa and the League of Women Voters of the United States. The League works to increase understanding of major public policy issues and influences public policy through education and advocacy. The organization is nonpartisan, because it does not support candidates or parties. It does, however, encourage its members, as individuals, to work actively for the candidate or the party of their choice, and to run for office. Like the government, the League functions on four levels: local, regional, state and national.
