The Floyd County Community Foundation is a place of connection, where generosity and community action meet to create powerful impacts improving the quality of life for all people. The Community Foundation is “here for good,” working side-by-side people and organizations as a catalyst for positive community change.

WE TURN YOUR PASSION INTO IMPACT
We connect people to the causes they care about most and give them a way to make an impact. We do this by working with individuals, families, and businesses to create charitable solutions that match their passions, maximize tax benefits, and create a philanthropic legacy for generations to come.

WE ENRICH COMMUNITIES THROUGH GRANTMAKING
We impact communities through grantmaking to nonprofits working to carry out effective and transformative projects and services. We invest in social good that addresses the needs of individuals, communities, and our greater region.

WE BUILD COMMUNITY AND PARTNERSHIPS
We believe in the power of partnerships and collaboration to develop solutions and create opportunities in our communities. We help identify needs, foster relationships, share ideas, and connect resources to create sustainable change making our communities vibrant places of thriving people.

Our Mission
To inspire people and connect resources to enrich our communities.

Our Vision
A vibrant region of thriving people.

The grants are awarded using a competitive process where organizations submit an online application, which is reviewed by local committee members.
