The **BUCHANAN COUNTY COMMUNITY FOUNDATION** is a place of connection, where generosity and community action meet to create powerful impacts improving the quality of life for all people. The Community Foundation is “here for good,” working side-by-side people and organizations as a catalyst for community change.

WE TURN YOUR PASSION INTO IMPACT

We connect people to the causes they care about most and give them a way to make an impact.

WE ENRICH COMMUNITIES THROUGH GRANTMAKING

We impact communities through grantmaking to nonprofits working to carry out transformative projects and services.

WE BUILD COMMUNITY PARTNERSHIPS

We believe in the power of partnerships and collaboration to develop solutions and create opportunities in our communities.

BE A FORCE FOR GOOD.

1. ESTABLISH A FUND

We'll work with you to match your giving and passions, and create a giving plan that meets your charitable and financial goals. There are many fund options, including establishing a named donor advised fund that allows you to support the causes you love during your lifetime.

Go to CFNEIA.ORG/CREATEAFUND to get started.

2. GIVE TO A FUND

Gifts of any size can be made to funds already established with the Community Foundation. Your generosity can support the grantmaking of your local foundation through a gift to their impact fund or find one of our hundreds of funds supporting nonprofits in our region.

Go to BUCHANANCCF.ORG and click on **Find A Fund** to search our list of funds.

3. LEAVE A LEGACY

Your generosity can go on forever when you establish a planned gift. We work with you and your advisor to find giving solutions that leave a legacy and meet your family's financial goals.

Go to CFNEIALEGACY.ORG to learn more about planned giving options.

WHAT IS A DISCRETIONARY GRANT?

The grants listed to the left are part of the Community Foundation's discretionary grant process. This means the Foundation uses its discretionary (unrestricted) funds to provide grant funding to organizations impacting local communities. The grants are awarded using a competitive process where organizations submit an online application, which is reviewed by local committee members. Grants are then awarded by the committee based on guidelines informed by best practices in grantmaking.
