

Five Island Trail Endowment Fund

About the Five Island Trail

The mission of the Five Island Trails Committee is to develop a trail system available to the public that will enhance recreation opportunities for all residents of Palo Alto County. Five Islands Trail provides a safe and healthy recreational environment. The committee seeks to attract tourism by connecting visitors to the beautiful lake and other recreational services provided. The Five Island Trail would provide a hard surface biking, walking, fitness and running trail, offering recreational and tourism opportunities for all ages.

An endowment fund has been established at the Palo Alto County Community Foundation for the purpose of implementing the vision of the Five Island Trails Committee of providing a trail system for the entire county.
