

Sunflower New Build Capital Campaign

About Sunflower Child Development Center

Sunflower Child Development Center was created in 1975 to meet the increasing need for child care services for those who live and work in Winneshiek County and the surrounding area. We take our 45-year commitment seriously by helping our families in whatever way we can concerning the growth and success of their children. Sunflower is rated a level 4 child care center through Iowa's Quality Rating System (QRS), which means our center is dedicated to providing the space and tools necessary to help each unique child in their social, emotional, intellectual, and physical growth.

The New Build Campaign

Sunflower's facility is bursting at the seams, providing care for 140 children with roughly the same number of children on our waiting list. Our number one priority is providing a safe, vibrant environment conducive to learning. The new facility will provide double the capacity and will include innovative programming and structures for children.
