

IOWA COUNTY
**COMMUNITY
FOUNDATION**

here for good.

good happens here

2018 IMPACT REPORT

The Iowa County Community Foundation connects people with the causes they care about and makes grants to nonprofit organizations enriching our communities.

We do this by helping to simplify the philanthropic process, giving generous people a way to support what matters to them. Gifts to the Community Foundation become part of a permanent endowment, which means they will benefit your community forever. Donors can make gifts to existing funds or create their own named fund to support the charities of their choosing. We invest gifts so they grow, maximizing the resources for grantmaking that addresses community needs.

Iowa County Community Foundation grants provide essential funding to nonprofits and government entities serving Readlyn and its residents. **Since 2005, we have granted over \$101,034 to support our partners in making our communities better places for all people.**
