About Elderbridge Agency on Aging
Elderbridge provides a multitude of services in 29 counties, including: Care Coordination, the Elder Rights Program, Lifelong Links, the Nutrition Program, along with many other programs. We also subcontract with providers to deliver even more help for seniors. For over 40 years, our agency has offered solutions through our services that address real problems seniors, caregivers, family, and friends experience. Growing old is a privilege and senior status should be a blessing not a burden. Being without food, unable to pay bills, being taken advantage of or threatened is not part of growing old. Elderbridge can help.

Iowans want to remain in their homes and age in place, with services and supports. It is imperative that in the future our agency and programs are available to older Iowans, those with disabilities, caregivers, and the needy. Our vision is focused on empowering our consumers to fully participate in all aspects of society and community life, while maintaining their health and independence.
