## 2018 IMPACT REPORT

The Waverly Community Fund connects people with the causes they care about and makes grants to nonprofit organizations enriching our communities.

We do this by helping to simplify the philanthropic process, giving generous people a way to support what matters to them. Gifts to the Community Fund become part of a permanent endowment, which means they will benefit your community forever. Donors can make gifts to existing funds or create their own named fund to support the charities of their choosing. We invest gifts so they grow, maximizing the resources for grantmaking that addresses community needs.

Waverly Community Fund grants provide essential funding to nonprofits and government entities serving Waverly and its residents. *An affiliate of the Community Foundation of Northeast Iowa.*
