Support the African American Historical & Cultural Museum's "Outdoor Entertainment Center" Capital Campaign

AAHCM is a museum located in Waterloo, Iowa. It is a participating member in the community Juneteenth celebrations each year.

Its mission is to promote greater knowledge of the African American community in the Cedar Valley through the collection, preservation, and interpretation of the historical past. It was founded in 1996.

About the AAHCM Outdoor Entertainment Fund

The "AAHCM Outdoor Entertainment Center" Fund has been established as a special project fund through the Community Foundation of Northeast Iowa. The Foundation will provide basic administrative duties necessary to run a successful campaign. Services offered through this partnership include receipt and acknowledgement of donations, oversight of donor pledges, financial responsibility of donations, marketing assistance and overall management of the campaign funds.

There is already approximately \$25,000 in funds started for this campaign, however, the estimated costs to complete the project is \$50,000. If donations collected go above the amount necessary for construction of the Entertainment Center, they will be directed to future projects of the AAHCM.

To explore all gifting opportunities, please contact the Community Foundation administrative offices at 319-287-9106. Your gift will ensure the continued development of Outdoor Entertainment Center and is tax deductible to the extent allowed by law.
