

Cedar Valley Preschool and Child Care Center Building Ownership Fund

About Cedar Valley Preschool and Child Care

The first 2,000 days are the most critical and magical days of a child's life. We are honored parents put their trust in us to be part of their child's growth and development. Fostering the beginning stage of life-long learners is a responsibility we take seriously.

CVPCCC is a 4-Star learning center and offers the most diverse indoor/outdoor learning environment in the Cedar Valley. Our mission is to provide structured curriculum of developmentally appropriate activities, which aim at the positive growth and development of each individual child socially, emotionally, physically, and intellectually.

The Building Ownership Fund

CVPCCC has been a trusted leader in supporting children and their families for nearly 50 years. During this time, the building and grounds have been through several renovations and upgrades to better serve the now over 60 children who come to grow and learn in

a safe, welcoming environment. The CVPCCC Building Ownership Fund is an effort to eliminate the Center's mortgage debt so these dollars can be focused on investing in the children CVPCCC impacts every day.

Your gift to the Cedar Valley Preschool and Child Care Center Building Ownership Fund will help CVPCCC invest more dollars in the children they serve. Your gift is eligible for federal deductions for charitable giving.
