What's The Best Way to Give

We work closely with you and/or your professional advisor to find the perfect match for your charitable goals.

Cash is one of the easiest ways to establish a fund or add to an existing fund.

Bequests establish charitable funds through your will. This allows you to distribute some or all of your assets, tax free.

Gift of Grain can be used to start an endowed fund in the name of you or your family.

Appreciated Securities allow you to receive the maximum tax deduction allowed, and avoid capital gains tax.

Charitable Gift Annuities allow you to arrange a generous gift to your community.

Retirement Plans provide an opportunity for substantial tax savings for your heirs.
