

# Framing Hope Endowment Fund

## About the Partnership

Iowa Heartland Habitat for Humanity is dedicated to eliminating substandard housing through construction, rehabilitation, and preserving homes; by advocating for fair housing policies; and by providing access to resources to help families improve their shelter conditions. House of Hope provides homeless mothers and women who age out of foster care with individualized support and transitional housing to achieve secure families, independence and permanent homes.

Framing Hope works to provide a pathway to homeownership for single-mothers in the Cedar Valley. The program pairs the case management at House of Hope, assisting single mothers in finding stable employment and financial literacy, with Iowa Heartland's Homeownership Program which requires 300 sweat equity hours and 10 weeks of homebuyer education courses.
