About the Benton County Historical Society

The Benton County Historical Society is an all-volunteer nonprofit organization founded in 1970 to kindle interest in and promote the preservation of local history. We own and maintain three properties in Vinton - the Ray House, the Horridge House and the Vinton Railroad Depot Museum. Ray House is used for many social events and club meetings. The genealogy and local history library is available for public use at the Horridge House. The Depot has many BCR&N and Rock Island railroad items of interest on display.
