## 2018 IMPACT REPORT

The Worth County Community Foundation connects people with the causes they care about and makes grants to nonprofit organizations enriching our communities.

We do this by helping to simplify the philanthropic process, giving generous people a way to support what matters to them. Gifts to the Community Foundation become part of a permanent endowment, which means they will benefit your community forever. Donors can make gifts to existing funds or create their own named fund to support the charities of their choosing. We invest gifts so they grow, maximizing the resources for grantmaking that addresses community needs.

Worth County Community Foundation grants provide essential funding to nonprofits and government entities serving Worth County and its residents. *An affiliate of the Community Foundation of Northeast Iowa.*

### SPECIAL THANKS TO THE JASPERS FAMILY

The first grant cycle of the Worth County Community Foundation was made possible through the generosity of the Jaspers Family. The Jaspers Family Foundation Fund was established through a gift left in the will of Donald "Donnie" Jaspers, long-time resident of Northwood, who passed away on April 20, 2015. Donnie's parents, Maynard and Marjorie "Marj" Jaspers were business owners, founding

Jaspers Motor and Implement in 1948, and active members of the community. The family most recently operated the town's Ford dealership. Donnie worked for his father and lived at home, allowing him to adopt the modest lifestyle of his parents. After the passing of his parents and twin brother, Ron, Donnie wanted to make sure his family created a legacy of good that would last forever.
