

# New Hartford Child Care Fund

## About New Hartford Child Care

The New Hartford Child Care Committee is working to provide local child care services based on results of a community-wide survey which showed a great need in the Dike-New Hartford Community School District. With the recent annexation of Evergreen Heights and several rural housing developments, we seek to build a child care center in New Hartford to accommodate yearlong care.

## About Phase 1 of the Project

The New Hartford Child Care Fund is a special project fund established with the Butler County Community Foundation, an affiliate of the Community Foundation of Northeast Iowa. Contributions to the fund will support Phase 1 of the new child care center project which includes building site selection, a financial study, and the completion of a 3D building rendering by fall 2022.
