About the Tama County Community Foundation

The Tama County Community Foundation, an affiliate of the Community Foundation of Northeast Iowa, was created by and for the people of Tama County. The Community Foundation’s main goals are to support Tama County and to attract additional funds to assist donors in creating lasting legacies through a variety of giving options within Tama County.

What We Fund

The Tama County Community Foundation will provide grants to improve life in Tama County, Iowa. We want to help develop communities people want to live in and benefit rural areas of the county. Foundation funding supports requests in the following program areas:

- Arts & Culture
- Community Betterment
- Education & Youth Development
- Environment & Animal Welfare
- Health
- Human Service

Eligibility to Apply

Organizations must provide benefits to the people of the Tama County and must meet the following criteria in order to apply for a grant:

- Be classified as a 501(c)(3) nonprofit organization or be a government entity. Tax-exempt organizations classified as other than 501(c)(3) are also eligible only if the request is deemed charitable; please contact our office to discuss the project’s eligibility prior to submitting a proposal.
- Be current with all state and federal reporting requirements, such as filing of 990 forms.
- Requests that include or require participation in inherently religious activities such as religious worship, instruction, or proselytization or activities that promote specific religious doctrine are not eligible.
- Must not have any outstanding grant reports for previous Tama Community Foundation grants.
- Applications must be completed by the due date using the online application and CFNEIA grant site.

Groups, projects, or initiatives that do not meet the above eligibility requirements may submit a request through a fiscal sponsor. Fiscal sponsors must be classified as a 501(c)(3) or a government entity. The Foundation prefers that the fiscal sponsor’s mission closely align with the sponsored project. Fiscal Sponsors will be legally and financially responsible for any grant funds that are awarded.
**Restrictions**

In addition to the eligibility requirements, the following restrictions apply:

- One application per organization per year with the exemption of Government Entities and Fiscal Sponsors.
- Fiscal sponsors may only submit one application per sponsored organization.
- Government entities may submit only one application per department. Schools are government entities.
- **The administration of each city and the county may only submit one application for a city/county-wide request (for example: banners for the downtown).** This is in addition to separate applications for different departments.
- Grant request minimum of $1000. Requests under $1000 will not be considered.
- Budget template linked in application must be used to submit the request budget. Applications that do not use the template will not be considered. (See page 4 of the guidelines for a sample request budget using the required template.)
- Bids/estimates for purchases or contracted labor are strongly encouraged and should be attached in the Support Document section of the application.
- The following organizations are eligible for specific requests only:
  - Churches – for requests that provide community services/activities
  - Economic development organizations - for marketing/education requests that benefits the whole community, not just member businesses
  - Service clubs and veterans’ organization (with eligible tax-exempt status) - for charitable community requests
- The TCCF will not support requests for the following:
  - fundraising activities or one-time events
  - funds that will be re-granted by the applicant
  - requests expenses incurred/completed prior to grant notifications (mid-March 2024)
