

Floyd County Medical Center Foundation Fund

Caring and giving for the healthcare needs for our future generations.

About the Floyd County Medical Center

Floyd County Medical Center is a critical access hospital and rural health clinic providing healthcare services to the residents of the region. On January 17, 1965 the hospital opened on its current campus after a vote by Floyd County residents to transition and expand operations.

The Floyd County Medical Center Foundation Fund ensures all donations are permanent, and local healthcare is available for our grandchildren and their grandchildren into the future - a wonderful legacy for all donors.

Your Gift Will Keep on Giving

Because the Floyd County Medical Center Foundation Fund is a permanent fund with the Community Foundation, the donated dollars are invested, and only the income from the fund will be used by the Medical Center. Your contribution will help carry out the mission of the Floyd County Medical Center Foundation now,

and forever. To learn more about this fund, contact the Community Foundation at 319-287-9106 or info@cfnea.org.

Added Tax Benefits of Giving

This fund is eligible for the Endow Iowa 25% state tax credit. Gifts to permanent endowment funds of the Community Foundation that benefit Iowa charitable causes are eligible to receive a 25% state tax credit through the Endow Iowa program. Your gift will also be eligible for federal deductions for charitable giving. Go to cfnea.org/endowiowa for more information.
