## Thanks a Trillion Fund

### ABOUT THE NORTHWESTERN MUTUAL

Northwestern Mutual is a financial services agency serving Eastern Iowa. Northwestern Mutual is committed to developing lasting relationships with clients and communities. All representatives share a vision of being dedicated servants that pursue excellence in all endeavors.

Northwestern Mutual prides itself on being client-centered and upholding the values of integrity and professionalism.

### ABOUT THE FUND

Northwestern Mutual's "Thanks a Trillion" Fund was created by a group of financial representatives and staff to coincide with Northwestern Mutual's 150th anniversary in 2007 and reaching a goal of \$1 trillion of life insurance in force company-wide.

Northwestern Mutual wanted to celebrate their success by making an impact on their respective communities forever by making grants to nonprofit organizations.

By creating a fund with the Community Foundation, they are able to showcase these values through the impact the fund will make in the communities it benefits. The fund is created to make grants in all the Eastern Iowa communities served by Northwestern Mutual.
