About Teen Trust

Teen Trust is a diverse group of high school students from the Black Hawk County area being facilitated by a qualified mentor. Teen Trust provides young adults an opportunity to serve as trustees and young philanthropists in the community. Using a grant application system, site visits, and interviews, and community needs assessments, The Trustees work as a team to decide which organizations to support through financial aid and/or volunteerism. Important Dates

- The grant application deadline is **5:00pm** on December 13, 2023.
- All applicants will be notified of the results of the grant decisions in mid-April.
- For funded proposals, a final report will be due on April 30, 2025.

Eligibility to Apply

Organizations must provide benefits to the people of Black Hawk County **and** must meet the following criteria in order to apply for a grant:

- Be classified as a 501(c)(3) nonprofit organization or be a government entity.
- Be current with all state and federal reporting requirements.
- Must not have any past due grant reports for previous CFNEIA grants.

For groups, projects, or initiatives that do not meet the above eligibility requirements, the Community Foundation will consider projects submitted through a fiscal sponsor. Fiscal sponsors must be classified as a 501(c)(3) or a government entity. The Community Foundation prefers that the fiscal sponsor's mission closely align with the sponsored project.

It is suggested that organizations that are applying for the first time (or the first time in a number of years) contact Program Director Sloan Alberhasky (see **QUESTIONS** section below for contact information) to explore the appropriateness of requests and for any further guidance.

Restrictions and Application Frequency

In addition to the eligibility requirements, the following restrictions also apply:

- Requests should be for one year only.
- Minimum requests should be **\$1,000**; maximum request limit is **\$3,000**.
- Organizations can submit only one proposal at a time. Applicants may also submit up to one additional proposal as a fiscal sponsor.
- Organizations with a separate supporting organization (like a "friends of" or a foundation) can apply through either the organization or through its supporting organization, but not both. The Foundation encourages applications to be submitted through the supporting organization.
- The Foundation will not support requests for funds that are re-granted or redistributed by the applicant.
- Inherently religious activities such as religious worship, instruction, or proselytization or activities that promote specific religious doctrine are not eligible.
- Requests for partisan political or lobbying activities are not eligible.
- Operational requests from other foundations are not eligible.
