TOGETHER, WE ARE HERE FOR GOOD

1. ESTABLISH A FUND
We'll work with you to match your giving and passions, and create a giving plan that meets your charitable and financial goals. There are many fund options, including establishing a named donor advised fund that allows you to support the causes you love during your lifetime.

2. GIVE TO A FUND
Gifts of any size can be made to funds already established with the Community Foundation. Your generosity can support the grantmaking of your local foundation through a gift to their impact fund or find one of our hundreds of funds supporting nonprofits in our region.

3. LEAVE A LEGACY
Your generosity can go on forever when you establish a planned gift. We work with you and your advisor to find giving solutions that leave a legacy and meet your family's financial goals.
