

2021 Scholarship Eligibility Checklist

The Community Foundation of Northeast Iowa administers over 130 scholarship funds, which generates over \$500,000 in awards each year. The majority* of these scholarships use our **COMMON APPLICATION**. Once you complete the common application, it is automatically matched to all scholarships that you are eligible for. It's that easy!

How do I know if there's a scholarship for me?

Good question! We want to ensure that you don't spend your time completing the common application if it turns out that you're not eligible for any scholarships. To help you determine if you're eligible, complete the following eligibility checklist. If you answer "yes" to **any** question, there's at least one scholarship you are eligible for, and you should apply. **The deadline to apply is March 10, 2021.**

For Students in High School

- Are you graduating from any of the following schools?
