It is easy to join our efforts in supporting the WinnMed Foundation. The traditional methods of sharing your time, talents, and treasures are greatly appreciated by all and do make a difference in the health and wellness of so many in our community. That's what the WinnMed Foundation is all about – building upon the great health care received at WinnMed – to help individuals, families, and friends be prepared to deal with a variety of health issues. Building a healthier community means enhancing the quality of life not only today, but also for generations to come.
