

Friends of the Marengo Public Library Foundation Endowment Fund

About Friends of Marengo Public Library

The mission of the Friends of the Marengo Public Library Foundation, for over twenty years, has been to provide programming for library patrons and local area residents. It is the goal of the Friends of the Marengo Public Library Foundation to provide opportunities for free, cultural, informative programming that brings the public into the library. The Friends of the Marengo Public Library Foundation and the library staff shall attempt to plan events that are diverse and not readily available to local residents while drawing people inside to see the offerings of the library itself. The Friends of the Marengo Public Library Foundation and the library staff shall strive to appeal to the young through the elderly, the curious, those who reminisce - in other words, everyone.
