## About Cornerstone Christian Childcare Center

Cornerstone Christian Childcare Center provides a child care option for the families of Parkersburg and surrounding communities in a faith-based environment of love and learning. The center is focused on character building, education, social/emotional support, and spiritual growth for children and staff.

## The Need for Local Child Care

Local, affordable, and safe child care is essential to Iowa communities. Iowa is experiencing a child care shortage across the state, including in Butler County. This crisis affects more than just parents and children, it impacts employers, the local economy, and the community as a whole.

Cornerstone Christian Childcare Center is strengthening Parkersburg and the surrounding communities by providing care that meets the needs of families and the community, and gives children a great start academically, emotionally, and spiritually.
