

Camp Courageous Endowment Fund

About Camp Courageous

Even though Patrick was unable to speak, he had his own way of showing how much he enjoyed his experiences at Camp Courageous. He would recognize the section of road his family only traveled on when they were taking him to camp, and he would immediately start to get very excited. Patrick has attended at least once every year since the age of 3.

All people, regardless of ability level, have the right to opportunities found in the world around them. Individuals with disabilities, as well as their families, should experience year-round recreational and respite care activities in a camp setting. Camp Courageous of Iowa is a not-for-profit organization that provides this needed service to all.
